Financial and Membership Reports

FOR THE YEAR 1936-1937

REPORT OF THE TREASURER

To the Members of the Salmagundi Club:

The Treasurer respectfully submits his report for the fiscal year ended March 31, 1937.

The operating statement shows a profit of \$4,025.09, to which must be added \$75.65, representing recovery of bad debts, making the total gross profit \$4,100.74.

This, however, is subject to the following deductions: accounts written off—dropped and deceased members, \$1,042.36; loss on sale of stock, \$69.94; adjustment of dues, \$56.25; adjustment of Accounts Receivable and petty cash shortages, less partial restitution, \$1,758.11. These deductions total \$2,926.66, leaving a net operating profit of \$1,174.08.

It is my very unpleasant duty to report the last item of deduction. This \$1,758.11, plus \$390.00 subsequently restored, represents the shortages in the accounts of our former office manager, who had been a trusted employee of the Club for many years. The method by which this defalcation was accomplished was difficult of immediate detection, but we believe the reorganization of our accounting system provides proper protection against possible recurrence.

A complete and detailed statement of the Club's finances and the operations of the several departments is hereto annexed.

Respectfully submitted,

R. F. KILPATRICK, *Treasurer.*

May 7, 1937.

CERTIFICATE OF AUDITORS

We have made an examination of the books and accounts of the Salmagundi Club as at March 31, 1937, and have prepared the attached Balance Sheet and Statement of Income and Profit and Loss. In connection therewith, we examined or tested accounting records of the Club and other supporting evidence for the three months ended March 31, 1937, and obtained information and explanations from officers and employees of the Club; we also made a general review of the accounting methods and of the operating and income accounts for those three months, supplementing the examinations made by Adams, Cobb and Becker, Certified Public Accountants, for the previous nine months of the fiscal year, but we did not make a detailed audit of the transactions.

In our opinion, based upon such examination, the accompanying Balance Sheet and related Statement of Income and Profit and Loss fairly present, in accordance with accepted principles of accounting consistently maintained by the Club during the year under review, its financial position at March 31, 1937, and the results of its operations for the year.
